

List of Possible Improvements to the Emerald Bay HOA Website (ebhoa.org)
Updated 1/16/23

Contact ebhoa.webmaster@gmail.com for suggestions or questions

1. Provide a capability to more easily update website content
2. Provide method for multiple people to update website content, based on their committee/board membership
3. Migrate website to more modern tools to provide:
 - a. ease of maintenance
 - b. more functionality
 - c. improved security
4. Allow for online payment of yearly dues
5. Allow for online payment for clubhouse rental
6. Create a residents-only section of the website
 - a. For information not shared with public
 - b. Login/Password access will be required; need to determine how best to have homeowners create their own login/password
 - c. Need a way to verify that someone requesting a login/password is a homeowner in good standing; perhaps a link to the homeowner's directory? A token?
7. Allow homeowners to update information in directory
 - a. May or may not be linked to creating a login/password for the website
8. Update the look and feel of the website
 - a. For PC/Mac
 - b. For mobile phone
9. Homeowner Directory changes
 - a. Allow homeowner(s) to make updates to directory
 - b. Link directory to login/password access for website
 - c. Allow for more than one email and phone number for each homeowner (e.g. for husband and wife)
10. Referral page updates [after login/password is enabled]
 - a. Allow homeowners to add new referrals
 - b. Provide an option for homeowners to rate a referral and provide comments on them (like in Google or Amazon ratings)
 - c. Allow homeowners the ability to request that a referral be removed (e.g. if out of date)
